

Christmas dirtbag

First night of Noel
Asleep with the fire burning
Jingling bells
And sugarplum fairies turning

But I don't see
Any presents for me
Does Santa Claus know who I am?
Does Santa Claus even care about me?

'Cause I'm just a Christmas dirtbag, baby
Hey, I'm just a Christmas dirtbag, baby
Santa forgot all about me, baby
Tonight (ooh-ooh-ooh-ooh, ooh-ooh)
